

BMW 750iL xDrive – LUXURY SEDAN

3

Amenities

The BMW 7 Series extends typical BMW driving pleasure to include the enjoyment of being driven.

2

Passengers who occupy the luxurious seats in the rear enjoy a generous amount of space.

2

While the active chassis technology of the Executive Drive Pro option offers a driving experience of unrestricted comfort and dynamics in every situation, the features of the ambient light design and innovative comfort and entertainment functions ensure a supreme level of relaxed travelling pleasure.
